PROFILE

I am a creative, social, dynamic, passionate person, with a gift for people. Passionate about graphic, illustration and web design, with a great self-taught capacity that makes me always in constant development and that allows me to always be at the forefront of new tools and graphic trends. I have a lot of experience and skill in managing graphic design tools: Adobe Suite, Wordpress, Domain Management, Procreate for illustration, Final Arts Management and Printing Management. I deal directly with the client in order to understand their needs and professionally provide the best solutions for each project.

EMPLOYMENT HISTORY

HBX GROUP. 2022

Senior Graphic Designer

Responsible for creating global campaign assets, trade show stand visuals, banners, infographics, and a wide range of digital and print materials. Worked closely with an international team, delivering high-quality designs on time and ensuring brand consistency across all projects.
